DESCRIPTION OF SERVICES

Alternatives, Inc. provides housing, support services and case management to individuals with developmental disabilities, mental illness, individuals and families who are homeless and at-risk youth. Services include daily living skill training, employment, recreation, transportation, etc. The agency provides a wide range of housing options including housing that is supervised 24/7, as well as independent and supportive housing.

To provide comprehensive support services to individuals with special needs to enable them to reach their highest level of independence and integration in the community.

Alternatives' philosophy is based on a person-centered approach. This means developing a program around the specific needs of an individual rather than offering a generic group of services to a large number of people.
