DESCRIPTION OF SERVICES

The Department of Continuing Education provides career training for many health and business professions. They also offer continuing education for government protective services and public safety. A variety of professional development workshops, Active Adults 55+ classes, personal enrichment and online courses, plus an extensive summer youth program compliment a full service institution of higher learning. They play a significant role in post-secondary education where their commitment is to the adult learner, providing the non-traditional student with opportunities to continue their education through courses and programs.
