### DESCRIPTION OF SERVICES

Adult and juvenile supervision for persons placed under the authority of Probation by the Superior or Municipal Courts. Community service management for adults and juveniles ordered to perform community service by Superior or Municipal Courts. Child support enforcement unit to monitor and collect on the orders of the Superior Court for payment of money to the custodial parent of a child or children by the non-custodial parent. Comprehensive enforcement program monitors and collects all delinquent accounts in probation matters (fines, penalties, fees, and restitution).
