### DESCRIPTION OF SERVICES

For more than 20 years, Zufall Health Center has been providing high-quality, affordable medical and dental treatment to the working poor, uninsured, and underserved populations residing in Morris, Sussex, and Warren counties.

Services are delivered by a dedicated and caring bilingual staff of board-certified physicians (paid and volunteer), dentists, social workers, pharmacists, and support professionals.

Zufall Health Center's 16,000 patients are among the neediest in the state. More than 70% are uninsured, with the remaining on Medicaid (2%), NJ Family Care, or Medicare (28% combined). Almost 90% have incomes below 200% of the poverty level.

Comprehensive services at Zufall include:

- Treatment of illness and injury
- Adult and pediatric medicine
- Dental prevention and restoration
- Women's health care
- Podiatry
- HIV care
- Behavioral health
- Clinical pharmacy services
- Routine lab tests
- Health education and counseling
- Referrals to specialty and diagnostic services

As the health home for New Jersey's underserved, we look forward to continuing to provide high-quality, affordable medical and dental care to those in our communities.
