DESCRIPTION OF SERVICES

An informal education program based on ethical values and designed to give girls the opportunity to develop their potential with the support and guidance of trained, caring adults. Program opportunities are available to all girls ages 4-17 years or grades K through 12. Programs help girls to develop leadership and life skills, increase self-esteem, give service to others and more, while making new friends and having fun. Camping, field trips and council-sponsored events compliment troop/group activities to provide a comprehensive program designed to meet the special needs of girls.
