### DESCRIPTION OF SERVICES

Girl Scouts builds girls of courage, confidence, and character who make the world a better place. Girl Scouts is open to all girls ages 5-17. Girls can participate in local troops of girls their own age and/or attend program activities and events focusing on a variety of topics. Girl Scouts is the world's preeminent organization dedicated solely to girls - all girls - where, in an accepting and nurturing environment, girls build character and skills for success in the real world. In Girl Scouting, girls *Discover* themselves, *Connect* to the world around them, and *Take Action* to create positive change in their own communities. In partnership with committed adults, girls develop qualities that will serve them all their lives - like strong values, social conscience, and conviction about their own potential and self-worth. Adult volunteers are screened and trained to provide the best possible experience for girls.
