DESCRIPTION OF SERVICES

Outpatient services for all adults and adolescents who have a problem with alcohol or other substance abuse or addiction. Detoxification services on an outpatient basis. Fees vary upon service received. All major insurances accepted; sliding fee scale and charity care depending on the outcome of a financial screening. Services begin with a two-hour biopsychosocial evaluation. Clients are triaged to individual or group counseling. Family education program and early intervention/prevention programs. All clients have an individualized treatment plan, focusing on short-term treatment.
