DESCRIPTION OF SERVICES

Family Success Center - A family-centered, community-based one-stop shop of services; Free services for all families (including individuals); Home and community visits are made, as requested and the Family Partner works with the family to assess the strengths and needs of the family and make a plan to address any issues, e.g. parenting, medical needs, domestic violence, money management, employment, inadequate shelter, food or clothing, substance abuse, inadequate/no medical insurance, lack of phone or transportation, and any dream or goal of the family. A multi-service team approach is used, with many services to be provided on-site, including the core services of information/referrals, advocacy, parent-child activities, parent education, life skills, economic self-sufficiency, home visitation, housing, access to health care, and family success planning. Monthly activities are held at the center including fun family events, workshops, support groups, and trainings. Transportation is also available on a limited and scheduled basis.

Healthy Families TANF Incentive for Parents (TIP) - Healthy Families-TIP works to relieve some of the stress of having a new baby and coping with other situations at the same time. A Family Support Worker works with families to help them achieve their goals and provides information on healthy child development and positive parenting techniques. The Home Visitation Program is open to expectant mothers or to parents with infants 0-3 months (0-12 months if the family is receiving TANF benefits). Program provides home visitation with incentives, support, resources and parent activities. Services can be provided up to the child's third birthday and the program can be counted toward state-required hours for work for TANF mothers.

Family Outreach Program - Support and training of the Family Workers in the Abbott-contracted preschools in Phillipsburg.
