DESCRIPTION OF SERVICES

The Northwest New Jersey Regional Women's Center at Centenary College was established by the NJ State Legislature in 1987 to provide educational and counseling services to women, men and their families in Northwest NJ, which includes Hunterdon, Morris, Sussex and Warren Counties. The Center is a private, non-profit organization. The main location is Centenary College in Hackettstown, NJ with service locations throughout the four-county area.

The Women's Center offers Legal, Counseling, Career, Medication Clinic, and Financial Clinics. These clinics offer information, advice or a second opinion from a professional volunteer in these fields. There is a \$20 pre-registration fee that is a donation to the Center to help defray costs.
