Re: Pohatcong Valley Superfund Site

Dear Mr. Dech:

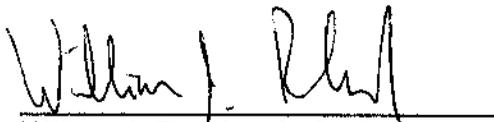

At the January 27 2005 meeting of the Warren County Environmental Commission (WCEC), we discussed two (2) updated maps of the Pohatcong Superfund Site. We forwarded a copy of this map to your office via Mr. Gregory Sipple, our liaison to the Planning Department.

WCEC requests that this map(s) be placed in the County's Cross Acceptance Report for Informational purposes only.

WCEC appreciates the opportunity to participate in this process.

Thank you for your continued attention in this matter.

Respectfully,

William J. Rosebrock, Chair
Warren County Environmental Commission
